

iPhone Version:

Legend

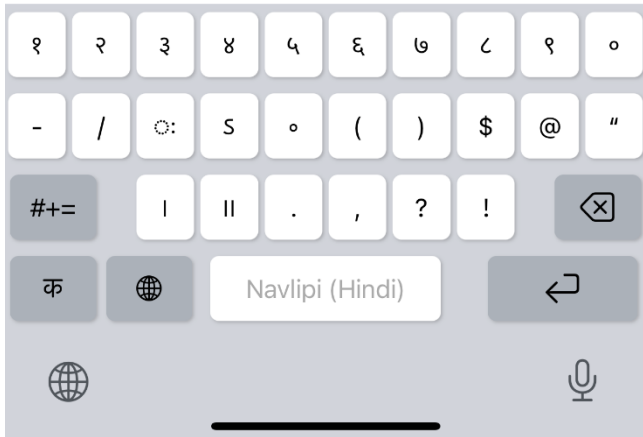

NOTE: This NAVLIPI Hindi keyboard is the same as the regular Hindi keyboard available on iPhone, except that instead of printing the Dewanaagari (Devanagari) letters, it prints the NAVLIPI letter.

Press this "World" button to toggle between the various language keyboards that you have installed on your phone (including English, French, Navlipi, etc.). *The MENU at left will then appear.*

iPhone Version:
Keyboards Layout

(For the first row, at left is lower case, at right is upper case (CAPS))

Android Version: Legend

NOTE: This NAVLIPI Hindi keyboard is the same as the regular Hindi keyboard available on Android, except that instead of printing the Dewanaagari (Devanagari) letters, it prints the NAVLIPI letter.

The image shows a screenshot of an Android phone's keyboard with the NAVLIPI Hindi layout. The keyboard has three rows of keys. The first row contains keys with Devanagari characters (ौ, ै, ा, ी, ु, ब, ह, ग, द, ज, ड) and their corresponding NAVLIPI letters (aau, aae, aa, ii, uu, b, h, g, d, l, d̄). The second row contains (ो, े, ्, ि, ु, प, र, क, त, च, ट) and (o, e, , i, u, p, r, k, t, c, t̄). The third row contains (ँ, ॉ, म, न, व, ल, स, य) and (~, Ω, m, n, vw, l, s, j, ×). Below the keyboard is a navigation bar with icons for home, back, and recent apps. A settings menu is open on the right, showing the 'Select keyboard' options: Google voice typing, Hindi (Navlipi Keyboard), Universal (Navlipi Keyboard), Samsung Keyboard (selected), and Samsung voice input. A toggle for 'Show Keyboard button' is also visible.

Letter as it will actually print.

Corresponding Dewanaagari letter

Press this button to toggle between upper and lower case.

Press this button to go to numbers and symbols keyboards.

Press this Keyboards icon to toggle between the various language keyboards that you have installed on your phone (including English, French, Navlipi, etc.). The MENU at right will then appear.

Select keyboard

- Google voice typing
- Hindi
Navlipi Keyboard
- Universal
Navlipi Keyboard
- Samsung Keyboard ⚙️
- Samsung voice input

Show Keyboard button

Show 🗪 on the navigation bar.
